To Whom It May Concern:

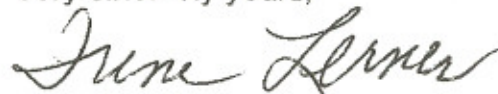

I am writing this letter of recommendation for Mr. John Jeff McCall, whom I supervised during his student teaching experience this quarter with Ms. Linda Moric, fourth grade teacher at Euclid School in Mount Prospect, Illinois.

In his interaction with students, colleagues and other professional staff, Mr. McCall consistently demonstrated professionalism and empathy. He is entering education as a second profession and takes his responsibilities and vision very seriously. From my observations and discussions with Mr. McCall, it is clear to me that he is committed to making a difference in the lives of his students, both emotionally and intellectually, and strives to view the "whole" child in his role as educator and mentor.

I particularly recall during a discussion with him following one of his observations, how impassioned Mr. McCall was when reflecting on his role as classroom teacher. Through his speech and body language, it was very apparent that he hopes his students will be imbued with a love for learning under his direction and guidance.

Mr. McCall will surely be an asset to your staff and community, if hired. If you wish to discuss his qualifications further, please feel free to contact me by telephone or email at [ILernEm@comcast.net](mailto:ILernEm@comcast.net).

Very sincerely yours,

Mrs. Irene Lerner
